

## To Ski Grounds by Helicopter

**TIME REQUIRED** to send news to ski grounds at Grouse Mountain has been cut by this Aero Surveys helicopter. Here skiers Martin Christie and Colin Patterson of Vancouver read The Sun, just 20 minutes off press, as Paul Ostrander, 'copter pilot and aerial paper boy, watches their delighted expressions.

**JUST EIGHT MINUTES** was required for this helicopter to fly from North Vancouver to picturesque Grouse Mountain Chalet. Its trip will be regular feature of Grouse service and will deliver supplies and skiers to their favorite sport ground. Return trip takes 5 minutes.
